

CRIME PREVENTION TIPS

ST. PAUL POLICE
COMMANDER KEVIN CASPER

PARKING LOTS

- Parking lots can be dangerous places.
- Common location for personal assaults and thefts.

- Leave your purse at home, or hidden in your car's trunk.
- Be prepared for a possible attack.
- Don't walk alone.
- Keep your doors and windows locked.
- Leave valuables out of site (coins, etc.)
- GPS Devices are hot items
- Be aware and don't respond to strangers.

STORE FRONTS

- Remember, it's a window into your business and suspects will be looking for opportunities.
- Suspects are looking for easy opportunities.
- Last month, a suspect broke the front window of store on University for a small item.

OFFICE

- Keep valuables locked up or out of sight.
- Limit access to outside people inside business.
- Think in terms of easy escape or detection when looking to prevent thefts.

CONCULSION

- COMMON SENSE - THE KEY TO STAYING SAFE!
