

\$5

CONSTRUCTION BUCKS

VALID TOWARD ANY PURCHASE • NOT REDEEMABLE FOR CASH

We're working hard to Keep It Open on E7th and that means supporting the businesses. Many businesses are running discounts. Ask for the "Construction Deal." Additionally we have Gift Certificates!

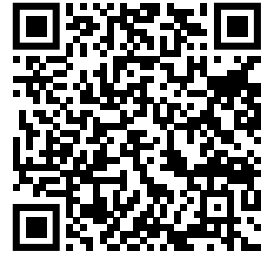

- While you're in the area, shop a business down the block.
- We have \$5 cash value certificates to give you for free at many stores. Would you shop today to help them stay open?
- These certificates have cash value, they are not a coupon, they are actually good for spending like cash, except there is no cash back
- Give these to employees or valued customers and encourage them to use them. Remember, they're paid for!

Shout Out About It:

- Take a picture or short video of your trip to the business.
- Use the certificate and post about the experience
- Tag ESABA and the business in the post to help build the campaign

Thank You for Supporting E7th Street!
